

Review of Licensing Policy

Bassetlaw District Council is currently reviewing its statement of licensing policy, which it is required to do every five years. As part of that review the Council is consulting upon the contents of its draft policy.

The draft policy reflects recent amendments made to the licensing legislation. It also seeks to address concerns expressed about the impact of licensable activities in particular areas upon anti-social behaviour and the fear of crime. This is balanced against the benefits of vibrant, well-managed premises, which are essential to the continued success of the district.

A copy of the draft policy can be accessed via http://www.bassetlaw.gov.uk/legal_and_licensing/licensing/licensing_act_2003.aspx. Consultation on the draft policy will take place until 5 November 2013, which is the final date upon which comments can be made. If you wish to make any comments upon the draft policy then you should address them in writing to the...
