Date: 30 April 2024

Dear Sir/Madam

Town and Country Planning Act 1990 – Planning Consultation

Proposed Works: Installation and Operation of a Solar Farm and Battery Energy Storage System (Output up to 40 MVA), With Associated Works, Equipment, Infrastructure and Landscaping

Site Address: Land Adjacent To A614 Worksop Nottinghamshire

Applicant: N/A

Application Ref: 24/00384/FUL

I refer to the above consultation received by this Authority on 15th April 2024 in relation to the above application which request this Council's comments by 3rd May 2024.

The application proposes the development of a solar farm and battery energy storage systems with associated works at Land adjacent to A614 Worksop, Nottinghamshire.

The site is located 0.5 miles from the boundary of the Newark & Sherwood District and is closest to the village of Perlethorpe which is also approximately 2.5 miles from the site. I can advise that Newark & Sherwood District Council have no observations to make in relation to the proposed development. The closest Parish Council within Newark and Sherwood District has been consulted, but no response has been received to date. Any comments will be forwarded to you on receipt.

Please note that this matter has not been formally reported to the District Council's Planning Committee. In these circumstances the comments are those of an Officer of the Council under delegated power arrangements.

Yours faithfully,

Honor Whitfield MRTPI MSc
Planner, Development Management
