Kirsty

Thank you for consulting Conservation on the above appeal. On this matter, we would refer to our previous comments (attached). I would also refer to the various comments made by Historic England, Newark & Sherwood District Council, The Gardens Trust and The National Trust, which all raise similar concerns to ourselves.

In terms of the Public Inquiry, I have block-booked my diary for those days (20<sup>th</sup>-23<sup>rd</sup> January 2026).

Regards, Michael
