ANNUAL REPORT

Bassetlaw Sports Development Team, the first local authority sports development service in Nottinghamshire to gain QUEST accreditation in Nottinghamshire.

In October 2005 the service maintained its **QUEST Accredited status, achieving a credible 8% improved overall score from the score received in**

October 2003. A third full assessment will be undertaken in October 2007 - making Bassetlaw the only sports development service in Nottinghamshire to have undergone three full external assessments. Quest is the UK quality scheme for the sport and leisure industry and incorporates the industry specific elements of Charter Mark, Investor in People, the Business Excellence Model and other quality initiatives. Quest is concerned with continuous improvement across a range of areas including research, health and safety, partnerships, customer relations & marketing. The Unit operates to a detailed improvement plan throughout the year.

CASE STUDY

Name: **Yvonne Boughton**

Yvonne is a sprightly 62 year old who started her career as a P.E. teacher. After taking time out to raise her family, Yvonne started to work for North Nottinghamshire College in 1981 as a keep fit instructor, delivering three classes per week. Some of her client group have remained with her for over 25 years! Yvonne is also an experienced youth worker and Squash Club Coach.

Yvonne is now delivering 12 classes per week in Bassetlaw. After undertaking the Seated Exercise course in October 2006 which was organised by Sylvia Porter of the Bassetlaw District Council's Sports Development Team Yvonne feels that all her classes have benefited from the skills she gained, particularly the band work (stretching) and mobilising.

Some of the staff working as part of the Sports Development Team are employed through external grants that have been acquired from the following funding streams.

We would like to thank all the external funders that have supported this service
