### **Key Achievements:**

A Health Calendar has been created and included into the Corporate Diary. This means key health events and campaigns are now in the diary and linked to Health events within the Council such as the Health Fairs.

Skin Cancer is now included in the Council Health Fairs.

The sunsmart campaign is now included into the Bassetlaw Well-being at work scheme and the tagline included on wage slips each June.

### **Reasons for non-implementation of Recommendations:**

Recommendation 7. Unfortunately due to the cuts NHS Bassetlaw has not been able to produce the DVD packs for schools. However a Cancer Awareness Officer is in place to cover cancer as a whole including skin cancer and she is working with schools.
