Mr. Fraser informed the meeting that he had made enquiries about the PPL licence for the hall regarding the public use of sound recordings. It is believed to cost £49.00 + vat running from 1st April to 31st March he will follow this up next month.

An enquiry has been made with regard to hiring the hall for pie making , the Council thought this was an interesting project and perhaps a fee of £50.00 could be acceptable.

Further enquiries to be made.

It is still hoped that a craft evening could be held on Friday 16th March 2018.

162. Matters arising.

There were no matters arising.

163. Planning.

We have received a Planning Application from N.C.C. regarding Hanson's proposed quarry at College Farm Barnby Moor.

The Parish Council object to this proposed development for the following reasons.

The site at this time is being used as good quality farm land.

We understand a larger quarry has been given permission at Sturton but has not been developed so why is a smaller quarry being considered for Barnby Moor.

Some residents at College Farm have been informed that workings will be 300 + meters from their properties and should not cause any inconvenience. A resident who lives close to the new proposed entry/exit at the site expressed concern that their garden is 6 meters from this entry and having small children they are worried about pollution from the quarry lorries affecting the children when playing in the garden.

164. Highways.

We are still trying to get local funding for the proposed new village signs.

Mr. Pashley expressed concern about NCC moving the existing village sign near Milestone Court.

165. Correspondence

We have received an invitation from BDC to attend a Neighbourhood Planning event at Retford Town Hall on Thursday 15th March 2018 between 5.30pm & 8.30pm which will include pie & peas we have accepted two places, names to be supplied later.
