173. Question time.

There were 7 members of the public present who attended to voice their opinions about the proposed planning application for a Crematorium in then parish of Babworth & Ranby off Old London Road at Barnby Moor.

A general discussion took place and the overall comments from the public were against the proposal the main reasons being,

- 1) Traffic flow and consequential volume of traffic that this development will incur on Old London Road.
- 2) Junction safety at both the A638 and Old London Road also at the junction of Old London Road and the road to the A1.
- 3) Loss of domestic amenities for the residents at Diggles Lodge.
- 4) History of road traffic accidents at the junction near Diggles Lodge.
- 5) The increase in traffic throughout the village bearing in mind the extra traffic which will be generated with the proposed two quarries and the fracking site on Blyth Road also the opening of the new Spa development in the village.
- 6) The possibility of odours from the site.
