#### **148 .Apologies for absence.**

Mrs. M. Read.

#### **149. Question time.**

There were no members of the public present.

#### **150. Declaration's of Interest.**

There were no declarations of interest.

#### **151. Adoption of Minutes**

It was proposed by Mrs. Childs and seconded by Mrs. Mr. Ing that the minutes of the meeting held on Tuesday 13<sup>th</sup> December 2016 be accepted. All in agreement.

#### **152. Matters arising.**

As discussed at a previous meeting it was agreed we should contact a local electrical contractor to get costing for overhead heaters for the hall. Mr Ing & Mr Pashley estimated the main hall had an area of about 160 square metres.

#### **153. Village Hall**

We seem to be having a problem with the tap in the ladies toilet, Mr Fraser informed the meeting that when the hall boiler was serviced the plumber had difficulty trying to correct it, a new tap will be required.

#### **154. Planning.**

Mr Fraser informed the meeting that he and not the Parish Council had received a letter from B,D,C ,about application No. 14/00239/ENF The Old Coach House. Which stated the following.

A recent site inspection has confirmed that the requirements of the planning enforcement notice served on 27<sup>th</sup> July 2015 have now been complied with. As such, unless any of the circumstances change no further action will be required by the District Planning Authority.

### **155. Highways.**

It was suggested we should contact our local M. P. Mr. John Mann to see if he could help with the problems about our foot paths between Barnby Moor and Torworth.

Over the years we have requested N.C.C. to clear or resurface the foot path between the two Villages but this seems to have fallen on deaf ears,

The Clerk to contact John Mann.

### **156. Correspondence.**

The Council has received complaints from Mrs Ann Fraser of Holly House, Kennel Drive.

- 1) Could the Agendas for Council meeting be printed in larger print as it is difficult to read through the Perspex on notice board.
- 2) When the details of a planning issue were put on the agenda there was no details of the person making the application, this would have made Mrs Fraser aware of the issue.
- 3) She could not find any contact details for contacting councillors. This information is displayed on both village notice boards and is updated when there is a change of councillors.
- 4) The council do not encourage parishioners to attend meetings. This we have tried many times before but no one attends meetings unless there is something which concerns them. If there is something important the Council will distribute flyers to all residents, put an article in Retford Life which goes to each household also e-mail villagers who have given the council their e-mail addresses which is about 55 households.
- 5) Residents having access to the Parish Council Minutes. This is a valid point and as the council are legally required to publish the minutes on a Web site which we do on Bassetlaw District Council own Web Site under Parish Councils. The Parish Council will contact Retford Life and inform the residents of this fact.

Mrs Fraser to be informed of the above.
