

	<p>DRAFT MINUTES OF THE TORWORTH PARISH COUNCIL MEETING HELD AT ST BARNABUS CHURCH, RANSKILL, ON TUESDAY 6th SEPTEMBER 2016 AT 7:00PM.</p> <p>PRESENT: Chair: Councillor C Willis. Councillors: Hadley, J Helliwell, County Councillor L Yates and District Councillor M Gray</p> <p>CLERK: Mrs Rachel Hyland</p> <p>OPEN FORUM for members of the public None in attendance</p>		
01/0916	APOLOGIES: Councillors Footitt, R Willis, H Helliwell, R D'Amelio		
02/0916	<p>POLICE/CRIME FIGURES</p> <p>There were no police representatives present at the meeting. The Parish Council have been informed that there will not be any more crime reports and have asked for residents to be directed to the Police.co.uk website, this however, appears to be at least 3 months out of date. The PC will contact Tony Crofts to see if we can get this re-instated as it proves very useful to inform residents what is happening locally. In the last month there has been a burglary on Underwood Avenue, a quad bike chase and fly tipping. The PC would like to remind residents that shed alarms are available to buy from Clarborough or B&M Bargains in Retford.</p>		
03/0916	<p>DISTRICT / COUNTY COUNCILLOR</p> <p>County Councillor L Yates attended a meeting on the devolution and there had only been 502 responses however, there were over 4500 on Facebook, Councillor L Yates has supported the Rage for E petition, she informed the PC that the County Council were extremely unhappy with the way it has been handled along with the leader of the County Council. Councillor C Willis said that buses had been hit hard in this area regardless of the devolution and asked what could the council do about this?</p> <p>Regarding recycling, people still have to register to use the tip but the form no longer asks for date of birth, and there are no credit checks it is just an address check.</p> <p>Streetlight on Holds Lane – Not followed up yet.</p> <p>Misson shale gas planning application to be heard on 5th October this is a public meeting at the Council Chambers.</p> <p>The site on Daneshill Road which is managed by Veolia say other companies also use the landfill, the PC feel that Veolia should be responsible for making sure that the lorries are covered as there is a lot of litter along the road again.</p> <p>Regarding the cycle races that happened earlier in the year, there were no road signs to alert motorists, is this has been properly applied for then highways should put signs up in advance.</p>		
04/0916	<p>MINUTES OF THE LAST MEETING</p> <p>Minutes of the meeting held on 5th July signed as a true record</p>		
05/0916	<p>MATTERS ARISING</p> <ul style="list-style-type: none"> • Speed sign chase up with Ian Parker • Try to follow up if any action has been taken by the Police regarding the dog attacking another dog. • Order 2 more new signs by Order of Torworth PC No Dogs Allowed.

They are trying to get a Seismologist to attend. Igas shares are currently down.</p>

08/0916	AMENITIES AND FACILITIES There has been a lot of dog fouling in the park recently which is a problem for people walking and children playing, dogs are not allowed in the playpark at all and more new signs will be purchased, the clerk with put this in the STAR. The Parish Council are planning an Autumn clean up in the park, they will hire someone to cut back the hedge, on the deeds to the playpark it shows it as a rectangle park so there is a huge overgrown corner area at the top which needs clearing. The PC will write to residents to inform them of what is happening and when prior to cutting. There have been a number of complaints about North Notts Landscapes, the clerk will organise them to meet with a Councillor to have a walk round the village and show them the problems and find a solution, the clerk advised the PC if they wish to re-tender the contract this should be done shortly so any contractors this should go out to would be appreciated. Councillor J Helliwell will make enquiries and get some quotes for a new park gate. The PC asked DC M Gray if he could find out if there was a fund for playfields that could offer something towards this. Councillor C Willis to enquire about some more daffodils for the village, it was agreed to spend around £100 on bulbs. The clerk to write to W Hopkin regarding overgrown bushes at the Walnuts.
09/0916	NEIGHBOURHOOD PLAN This is in desperate need of non-council people to join, this cannot happen with councillors alone it should be predominantly run by residents and the PC would like to encourage anyone who can help to get involved.
10/0916	VILLAGE WELCOME PACK Councillor C Willis thought it would be a good idea to create a welcome pack for new people in the village, the other Councillors agreed this was a good idea and Councillor C Willis agreed to make a start on this.
11/0916	PLANNING The Huntsman applied to change their name to The Separatist, the PC have no objections to this.
12/0916	CORRESPONDENCE Clerk and Councils Direct
13/0916	INFORMATION TO BE FORWARDED Gates at Playfield
14/0916	AOB Councillor J Helliwell is running the Great North Run, further details on how to sponsor him in the STAR. The PC would like to get some BDC lanyards for when they are visiting residents as they have been doing a lot of door knocking recently with the fracking and Network Rail plans and this just helps to clarify who they are for residents. The wooden footpath sign is rotten on the millennium pathway near Billy Button Lane.
