016. Village Hall.

It was suggested we install a wall mounted hand sanitiser at the entrance to the hall. This was agreed and was a sensible thing to do even after the present situation has been resolved.

The Chairman informed the meeting that the new insurance policy had arrived and he remembered that there was an item about loss of income in it. He will contact the insurers to check on this due to the hall not being used.

As the hall is not being used at this time it may be a good idea to get some quotes to treat the hall floor, this would include sanding & varnishing.

Mr. Ing will contact people who can do this sort of work.

The Parish Council authorised Mr. Ing to go ahead and engage a contractor if the estimate was reasonable, say in the region of £1000.00.

As the hall is not being used at this time due to the current situation this is an excellent time for this work to be carried out.

017. Question time.

As the meeting was held on Zoom no members of the public were present.

018. Adoption of minutes of previous meeting.

Mr. Ing Proposed and Mr. Pashley seconded that the minutes of the meeting held on Tuesday 14th April 2020 be accepted. All were in agreement.

019. Matters arising and action points.

Due to the present situation no action on this item.

020. Planning.

Mr. Pashley asked Mr. Boeuf if there was any update on Little Grange Farm. Mr. Boeuf informed the meeting that Bassetlaw enforcement officer is off sick but it is still in hand.

021. Highways.

Mr. Pashley informed the meeting that VIA/NCC will be paying for the footpath clearing machine but at this time he is not sure who will be doing the work, himself or them.

The council expressed their appreciation to Mr Pashley for the effort he has put into this project.

Mr. Ing told the meeting that the public footpath which crosses Mr. Kents land has been ploughed up and the footpath signs are in poor condition.

Mr. Fraser will inform NCC about this.

022. Correspondence.

There was no correspondence.

023. Village matters.

Mr. Ing informed the meeting that there was a small problem with the sit on mower, he is getting someone to look at it.

We were all in agreement that the playing field was looking better than it has ever been.

The on line banking form has been completed by Mr. Fraser & Mrs. Childs and is being forwarded to Mr. Pashley.

The debit card form has not yet been completed but this is in hand.

There has been some confusion regarding Mr. Simon Pashley's involvement with updating the parish web site. The council paid him £30.00 last year which the Clerk thought was for one year, but Mr. Ing said this should be twice a year and he has been informed that the second instalment is overdue. The Clerk informed the meeting that we have not received an invoice from Simon.

Mr. Ing will contact him and get him to contact Mr. Fraser to upgrade the lap top regarding e-mail and to get the exact fees due.

It was agreed that prior to further meetings on Zoom we should send an e-mail to the contacts we have for our parishioners requesting them to send any items they wish to bring to our attention.

024. Date of next meeting.

Tuesday 9th June 2020 by ZOOM. At 7pm
